Dear Parents/Guardians,

### Welcome Back

Can I welcome everyone back to school after the summer holiday. The children have all settled into their new classes really well and it has been so lovely to see them all back in school. Can I thank you for getting them all in the uniform and really looking like part of the Clwyd team. They all look so smart and ready to learn in school! I'm looking forward to a busy and productive term.

Just a reminder if any child is finding the change of class a challenge then please let the staff know and they will support.

School doors are open to children from 8.40am although children must be in by 8.50am.

If you have not applied for Free School Meals and think you are entitled, please contact the office.

### New staff

We welcome Mrs Jones-John as our new Pastoral/Well Being Officer. She has taken over Mrs Lewis' role and will be a really good point of contact if you have any worries with children's wellbeing.

Welcome also to Mr Goremano who is working in Year 3/4 on a teacher swap with Mr Wolsey. Also welcome back to Mrs Morgan who has been on a two year secondment with the Local Authority.

### Safety Reminders

- Please park safely around the school, do not park on yellow zig zags and try to be respectful of local residents parking.
- Breakfast Club is open to all children between 8.00 and 8.20. Please ensure you take care of your children during drop off times as the car park is open at that time.

- Any children arriving late to school need to be dropped off at the main reception and they will be signed in and taken to class by a member of staff.

### Attendance Routines

**High school attendance is critical - Please keep working hard on making sure children are in school at every opportunity.**

If your child is unwell please contact the school and inform the teacher/office. Mrs Saunders (Attendance Officer) will make phone calls to check where they are if there's no reason given.

It is a Welsh Government Target and expectation that children are in school over 95% of the time. We will work productively with families to try to achieve this figure. Please seek support if you need it.

### Communication

Most communication will be through Class Dojo. Classes are being resorted this week but please make sure you are signed up. Please also follow the school on twitter/X and we will shortly be having a revamped website. We will keep you posted on this!
