Dear Parents/Guardians,

Can you please take note of the following rules and guidance to ensure your children are kept safe. Please read these carefully.

- DO NOT stop, drop off or park on yellow zigzags at any time. This is a really simple rule and applies to everyone.
- When dropping off to Breakfast Club please ensure you drive carefully and please ensure you take care with your child. There is a strict 5mph speed limit on the school grounds.
- The gates are closed from 8.40-9.00 and 2.55 to 3.15. There should be no movement of traffic during those times.
- If your child rides a bike or scooter to school they have to be parked when they arrive at school. They should not be used to ride about when cars are arriving in school.
- No cars are permitted on the school yard when picking up children from after school clubs. (This is the yard where the minibuses are kept). Please consider parking off the school grounds completely and walking in.
- Nursery/Flying Start parents. Can you please take care with parking too. I know it's not as busy but there are still potential dangers.

Thank you for your cooperation with this. There are 420 children in the school all moving around on a large site. We need to minimise the risk to them by all working together and acting responsibly. If this means we are slightly inconvenienced by parking further from the school or picking up from a different place or

driving a little bit slower than this is surely worth it, if it avoids an accident.

The PCSOs, police and council camera van will also be doing regular patrols to support the school with this.

Thanks again for your support. I will be asking the staff to ensure these guidelines and rules are enforced and adhered to.

Many thanks,

Mr Brown
