Dear Parents/Guardians,

We are now well into the Autumn Term and starting to get into the Christmas planning. Lots of school events coming soon!

Pop Up Shop

The children are all getting creative and making items that will be available in the 'Pop Up' Shop which will be open all next week. The shop will be based in the Children Centre. Please come along to support.

Parking near the School

Please be aware that the police are having a crackdown on parking near the school. They are patrolling the area during pick up times. Please Park responsibly, avoid yellow zig zags and pavements.

Please also be reminded the school grounds have a strict 5mph speed limit and take care if you drop off in Breakfast Club.

Dojo and Messages

We are really proud of the amount of events, activities, community support and extra-curricular activities the school provides. This does generate a lot of dojo messages meaning some important items can be missed?! After some good feedback we will try to ensure messages are only going to their intended audience particularly if they are only relevant to certain classes or groups.

School Essentials Grant (children who used to receive free school meals, LAC pupils) Please keep an eye out for the link to apply for the school essentials grant. You can get financial support for uniform, equipment, non-uniform essentials. This can also help the school with funding.

School Essentials Grant (formerly school uniform grant - PDG access) - Swansea

Deputy Head Teacher

We are conducting interviews for a Deputy Headteacher this week. We look forward to the successful candidate taking their position after Christmas. I will keep you informed about the appointment.

Parent Sessions

A fantastic turn out at the Parent open sessions and Parents' progress meetings/STF coffee morning this term. Thank you for the very positive feedback and your ongoing support.

Dolly Parton Imagination Library

You might have seen the school in the local press and on the BBC news recently as we pilot the Dolly Parton Imagination Library in Wales. Children from 0- 5th Birthday are eligible to receive a book through the post every month delivered to their door funded by Dolly Parton and the National Lottery. We are starting the set up now so if you're in Flying Start, Nursery or Reception or have a pre-school child at home then please keep an eye out to register.
